Shoes, jewellery, bags, ties... you name it, these accessory stands have endless possibilities.

Perfect for point of sale merchandising, the stands are available in a classic satin chrome finish. Designed for optimal flexibility, they feature an interchangeable arm which can easily be replaced with one of 5 attachments.

The accessory stands also feature adjustable heights, from 380mm (min) to 670mm (max). So whatever your requirements, these stable stands can adjust to suit.
